SEATTLE, May 10, 2022 – The summer travel season is around the corner, and [Seabourn](#), the ultra-luxury ocean and expedition cruise line, is primed to celebrate in style on **Seabourn Quest**, which returned to service on Tuesday, May 10, 2022, in Barcelona, Spain.

With the return of *Seabourn Quest*, Seabourn will have four ultra-luxury ships in operation during the month of May, including *Seabourn Ovation* and *Seabourn Encore* in the Mediterranean, and *Seabourn Odyssey* starting its summer season in Alaska. *Seabourn Sojourn* is scheduled to resume service on June 6, 2022, from Athens, Greece.

“Our team members on *Seabourn Quest* are excited to welcome guests back on board and very much looking forward to delivering special ‘Seabourn Moments’ when they sail with us,” said Josh Leibowitz, President of Seabourn. “It’s not too late to book a summer getaway, and these voyages will offer a fantastic experience as the ship sails from one historic destination to the next, with much to offer on board and ashore along the way.”

Summer in Europe...and Beyond

Carrying only 450 guests on board, *Seabourn Quest* will offer guests an intimate, ultra-luxury travel experience as they sail to exclusive destinations in Europe. The ship will spend the first part of the summer season in the Mediterranean with voyages from Ravenna, Italy, visiting a number of historic and picturesque destinations in the Adriatic and Ionian Seas through mid-July. The ship will then turn west and north to explore the coasts of Spain, Portugal, France, and the United Kingdom. Highlights include:

- *Seabourn Quest*'s exciting summer in Europe begins on May 10 with [11-day Italy & Adriatic Gems](#) from Barcelona to Ravenna. Destinations include many charming towns and ports in Spain, Italy, Croatia and Slovenia.
- Beginning May 21, the ship will sail on a series of [7-, 10-, and 11-day round-trip voyages](#) from Ravenna that will explore the Adriatic and provide immersive experiences on the stunning Croatian Riviera. Ravenna, an elegant town in the Emilia-Romagna region of Italy, is most famous for its early Christian and Byzantine mosaics, some of which have been given UNESCO World Heritage status. Ravenna is a tucked-away gem, away from the main tourist areas in Italy, and provides an opportunity to explore this beautiful city more casually and experience the area like a local.
- On July 12, *Seabourn Quest* will sail from Ravenna to Barcelona on [10-Adriatic Gems and Italy](#), and then cruise along the coasts of Spain and Portugal en route to France and the United Kingdom on [14-Day Jewels of Western Europe](#). Destinations along the way include Valencia and Cartagena, Spain; Lisbon and Porto, Portugal; and Bordeaux and Douarnenez, France, with an optional tour of picturesque Locronan, before visiting Portsmouth, UK, and arriving in London on August 5.
- As summer winds down, *Seabourn Quest* will cross the Atlantic Ocean on [24-Day Route of the Vikings](#), visiting Scotland, Iceland, and Greenland en route to Montreal, and follow with three 12-day cruises in Canada and along the coast of New England when autumn leaves are at their colorful prime.

Seabourn Quest will then head south to Miami, Central America, the Panama Canal, and South America before re-crossing the Atlantic in late March 2023. Altogether, *Seabourn Quest* has 47 itineraries, including combination cruises, scheduled into late October 2023.

Seabourn Selects Special Double Shipboard Credit Offer
